

# COVID-19 SUMMER SAFETY GUIDELINES

## CLASS SAFETY

- DAILY temperature checks for all students and staff.
- In-person classes held outdoors (weather permitting) on the lawn.
- Students socially distanced in areas designated by cones or spray paint.
- Face masks required for high-energy activities (e.g. group games or singing).
- Masks may be removed for calm activities and snack break.

## CLEANING

- Indoor spaces cleaned and sanitized with CDC-approved disinfectants.
- Hand-sanitizer used frequently throughout the morning.
- Bathrooms sanitized before and after each student group's use.
- Hand-washing strictly enforced!

## COME PREPARED

- Bring a water bottle (drinking fountain will be closed).
- Bring sunscreen, a hat, sunglasses, and closed-toe shoes to be ready for outdoor activities!
- Bring a mask or face covering (if you don't have one, it will be provided).
- Self-monitor for symptoms and temperatures above 100.4 F in the two weeks leading up to camp.

**Thank you for helping to keep our community safe!**
